Location: Jerusalem

Category: other-general

Are you passionate about Angular and have at least three years of hands-on experience? Our team is growing, and we're looking for an Angular expert to join us at a leading bank located conveniently near the train line in Jerusalem.

An opportunity to work on cutting-edge banking technology projects.

A dynamic and supportive work environment.

Competitive salary and benefits.

A prime location in Jerusalem, easily accessible by train.

The chance to be a part of a forward-thinking and innovative team.

Requirements

Proficiency in Angular with at least 3 years of professional experience.

Strong understanding of web markup, including HTML5 and CSS3.

Familiarity with RESTful services and APIs.

Experience in building reusable components and front-end libraries for future use.

Proven ability to translate business requirements and design into high-quality technical solutions.

Excellent problem-solving skills and attention to detail.

A team player with excellent communication skills.

If you're driven, passionate about technology, and ready to take your Angular skills to the next level within the banking sector, we would love to hear from you!
