## Assistant Controller

ADAMA is one of the world's leading crop protection companies and we have an exciting and challenging career opportunity for a highly motivated and experienced finance professional to join our global finance organization as **Assistant Controller**. ADAMA is publicly listed in China and also holds publicly traded debt in Israel. We are also part of a global group of companies headquartered in Switzerland. As such, the financial reporting team deals regularly with a diverse and elaborate set of financial reports in Israel, China and for numerous stakeholders. The financial reporting team is deeply integrated with and involved in global processes that require financial input and analysis.

The Assistant Controller reports to the Finance Controller and will be based in ADAMA's global headquarters in Airport City, Israel.

### **Key Responsibilities and Accountabilities of the Accounting Department:**

Preparation of the various financial statements of ADAMA's dual traded legal entities in China and Israel, according to requirements of IFRS and PRC (People's Republic of China) GAAP

Working with ADAMA's shareholders, Syngenta Group

Ensuring data accuracy and completeness of all reported numbers and aligning data to IFRS and PRC GAAP regulations

Consolidation process of the group's global subsidiaries' financial statements

Overseeing accounting procedures and dealing with significant accounting issues

Implement automation, systems and improvements in collaboration with Finance IT

Contribute to the Company's annual Work Plan and business estimations

SOX compliance for the Group

Cross-functional high-impact special global projects

**Required Competencies:**

Gets things done

Works well in a global multi-cultural environment

Systematic thinker with strong planning and process orientation

Very strong attention to detail and accuracy

Follow up on tasks and deadlines

Excellent analytical abilities

Ability to thrive under high-pressure dynamic environment

Strong team-working skills

**Education/Experience:**

Certified Public Accountant – mandatory

At least 3 years of experience in either one of the BIG 4 within an audit team for publicly traded/ reporting companies or as an Assistant Controller in a global company - mandatory

Familiarity with IFRS - mandatory

Experience with IT systems and proficiency in all MS Office

**Language Skills:**

Fluency in written and spoken English and Hebrew

Please submit CVs in English only
