Company: Tipalti

Location: Israel

Category: other-general

Full Stack Developer

The full stack developer will deal with a multitude of technological challenges in areas such as performance, design, clean-code, and more. Our team regularly refines our methods of work, tools, and technologies. We value independence, natural curiosity, ownership, and the desire for constant improvement.

Why join Tipalti?

Tipalti is one of the world's fastest-growing fintech companies. We free finance professionals to lead by modernizing the entire payables operation. We are a well-funded, late-stage start-up backed by high-profile investors. Our 2021 Series F funding round raised \$270 million, valuing us at over \$8.3 billion. With total funding of just over \$550 million, and with more than 3000 global customers, Tipalti is one of the most valuable private fintech companies in the world.

At Tipalti, we pride ourselves on our collaborative culture, the quality of our product and the capabilities of our people. Tipaltians are passionate about the work they do, and keen to get the job done. Tipalti offers competitive benefits, a flexible workplace, career coaching, and an environment where diverse individuals can thrive and make an impact. Our culture ensures everyone checks their egos at the door and stands ready to reach for success together.

In this role, you will be responsible for:

Produce high-quality code -> readable, testable and maintainable

Design efficient software components that will operate smoothly under load

Provide technical leadership

About you

3+ years of experience as a Fullstack Developer, Technological stack preferably: C#, JS, Vue.

Experience with Microservices - An advantage.

Experience with Agile methodology – an advantage

Experience from a startup company – an advantage

Good communication skills

BSc in computer sciences or equivalent- an advantage

Our tech teams are the engine behind our business. Tipalti's tech ecosystem is extremely rich and we continually add new features to our products, ensuring that we respond to our clients' needs at scale. Our tech teams retain a fast-paced, start-up vibe that encourages innovation and critical thinking. At Tipalti, you'll have the opportunity to work with a diverse, global team of engineers, developers and product leaders who are collectively building the future of our best-in-class product suite as we transform financial operations for the future.

Interested in learning more about us?

Tipalti is the only company handling both global partner payments and accounts payable workflows for high-velocity companies across the entire financial operations cycle: onboarding and managing global suppliers, instituting procurement controls, streamlining invoice processing and approvals, executing payments around the world, and reconciling payables data across a multi-subsidiary finance organization. Tipalti enables companies to scale quickly by making payables strategic with operational, compliance, and financial controls. Through Tipalti, our clients can efficiently and securely pay thousands of partners and suppliers in 196 countries within minutes.

Tipalti is fueled by a commitment to our customers and a desire to build lasting connections. Our client portfolio includes high-velocity businesses such as Amazon Twitch, GoDaddy, Roku, WordPress.com, and ZipRecruiter. We work hard for our 98% customer retention rate which is built on trust, reliability and innovation. Tipalti means we handled it -

a mission to which we are constantly committed.
