

Partnership Manager @ Rise.ai

[Apply Now](#)

Company: Wix

Location: Tel Aviv-Yafo

Category: other-general

Job Description

Hands-on involvement in Rise.ai's affiliate program expansion

Primary contact for partners, responsible for leading ongoing communication and accountable for driving solutions and fulfilling company needs

Continually optimize the online conversion funnel to maximize partner recruitment across Rise.ai's markets, as well as to ensure high-quality leads

Collaboration with our marketing team and cross-functional teams, coordination of activity with other channels, and support of our goals through affiliates and partnerships

Identify, report, analyze, and optimize the performance of partnerships, including identifying issues as they arise, assessing possible solutions, and implementing them as needed

Become familiar with the products, services, and businesses of our partners and maintain a solid understanding of their offerings

Qualifications

2+ years experience in a client-facing / Partnerships / Business Development role in a SaaS B2B company

English: Native level, excellent in writing and verbal communication - a must

Proficiency in web development projects, analytics and tracking, CMS platforms, and API calls – an advantage

eCommerce background or experience with eCommerce brands – an advantage

Exceptional interpersonal skills

Problem-solver, independent and agile

Able to regularly travel internationally
