

Principal Medical Writer

[Apply Now](#)

Company: PRA

Location: Israel

Category: other-general

As a Principal Medical Writer you will be joining the world's largest & most comprehensive clinical research organisation, powered by healthcare intelligence.

We're proud to foster an inclusive environment driving innovation and excellence, and we welcome you to join us on our mission to shape the future of clinical development.

What will you be doing?

Researches, writes, and edits clinical and regulatory documents by applying functional expertise and clinical drug development knowledge. Writes clear and concise documents, including study reports, protocols, investigator brochures, summary documents, and other scientific documents. Exhibits excellent written and oral communication and presentation skills. Demonstrates technical expertise and background in the use of medical writing templates and software (eg, PleaseReview, Documentum-based platforms, etc.).

Manages all aspects of the medical writing function.

Writes and reviews clinical study reports, protocols, and other clinical/regulatory documents.

Contributes to clinical protocol development for first-in-human oncology studies.

Demonstrates technical expertise and background in the use of medical writing templates and software (eg, PleaseReview, Documentum-based platforms, etc.).

Writes clear and concise documents, including study reports, protocols, investigator

brochures, summary documents, and other scientific documents

Drive the document preparation process, receive and review primary statistical output, draft and distribute documents for review, and incorporate/resolve comments with all reviewers.

Acts as a lead medical writer on complex programs and numerous individual studies.

Provides scientific and medical writing consultancy to project teams, as requested.

Location: Anywhere in Europe or UK remote

#LI-Remote: Europe

What do you need to have:

Advanced degree in a relevant scientific/clinical/regulatory field preferred

At least 3-5 years of experience in a lead oncology medical writing role in the pharmaceutical/CRO industry. *Note: oncology experience is preferred.

Excellent writing skills.

Ability to understand and interpret clinical and scientific data; ability to present results in an understandable manner to a variety of audiences.

Knowledge of current requirements and guidelines applicable to submission documents

Excellent interpersonal and oral communication skills.

Strong knowledge of MS Word, Excel, PowerPoint, and Outlook

Ability to prioritize multiple projects

What ICON can offer you:

Our success depends on the quality of our people. That's why we've made it a priority to build a diverse culture that rewards high performance and nurtures talent.

In addition to your competitive salary, ICON offers a range of additional benefits. Our benefits are designed to be competitive within each country and are focused on well-being and

work life balance opportunities for you and your family.

Our benefits examples include:
