

Product Manager

[Apply Now](#)

Company: Payouts.com

Location: Herzliya

Category: other-general

We are seeking a talented and motivated Product Manager to join our team. The ideal candidate will have a passion for product development, excellent communication skills, and a strong understanding of market trends and customer needs. As a Product Manager at Payouts.com, you will play a pivotal role in product development under the guidance of the VP of Product. You'll collaborate closely with cross-functional teams, including developers and design teams, to ensure products are developed according to PRD specifications.

- Understanding in Affiliate marketing is a must.
- Experience in the FinTech industry is an advantage.

Requirements

Define product vision, strategy, and roadmap in collaboration with stakeholders ● Conduct market research and competitive analysis to identify trends and opportunities

- Gather and prioritize product requirements based on customer feedback, business goals, and Affiliation principles
- Work closely with engineering, design, and marketing teams to deliver high-quality products on time
- Develop and maintain product documentation, including user stories, wireframes, and feature specifications
- Support sales and customer success teams with product training, demos, and feature requests
- Stay updated with industry trends, best practices, and emerging technologies related to product management and FinTech industries
