Why join Tipalti?

Tipalti is one of the world's fastest-growing fintech companies. We free finance professionals to lead by modernizing the entire payables operation. We are a well-funded, late-stage start-up backed by high-profile investors. Our 2021 Series F funding round raised $270 million, valuing us at over $8.3 billion. With total funding of just over $550 million, and with more than 3000 global customers, Tipalti is one of the most valuable private fintech companies in the world.

At Tipalti, we pride ourselves on our collaborative culture, the quality of our product and the capabilities of our people. Tipaltians are passionate about the work they do, and keen to get the job done. Tipalti offers competitive benefits, a flexible workplace, career coaching, and an environment where diverse individuals can thrive and make an impact. Our culture ensures everyone checks their egos at the door and stands ready to reach for success together.

In this role, you will be responsible for:

Designing, developing, and implementing automated testing processes for software applications.

Collaborating with cross-functional teams to understand software requirements and create effective testing strategies.

Building and maintaining automated test scripts to ensure the reliability and performance of software systems.

Identifying and troubleshooting issues in the automation framework and proposing solutions for improvement.

About you:

4+ years' experience as QA automation engineer

Experience writing E2E automated tests, preferably using WDIO or Playwright framework

Experience with planning and writing test documentation (STP,STD)

BSc in computer sciences or equivalent- an advantage

Good oral and written communication skills in English.

Self-motivated, detail-oriented and organized.

Our tech teams are the engine behind our business. Tipalti's tech ecosystem is extremely rich and we continually add new features to our products, ensuring that we respond to our clients' needs at scale. Our tech teams retain a fast-paced, start-up vibe that encourages innovation and critical thinking. At Tipalti, you'll have the opportunity to work with a diverse, global team of engineers, developers and product leaders who are collectively building the future of our best-in-class product suite as we transform financial operations for the future. #LI-LA1
