Category: other-general

QA Automation Engineer

The payments group is responsible for the entire payment cycle - payouts and balance management.

That process includes - create the payment process & submitting ,manage the payment time workflows and managing the balance of our clients' accounts.

We work closely with different engineering and product teams and with operational functions within the company as well as maintaining a relationship with our customers and Tipalti's payment partners.

Why join Tipalti?

Tipalti is one of the world's fastest-growing fintech companies. We free finance professionals to lead by modernizing the entire payables operation. We are a well-funded, late-stage start-up backed by high-profile investors. Our 2021 Series F funding round raised \$270 million, valuing us at over \$8.3 billion. With total funding of just over \$550 million, and with more than 3000 global customers, Tipalti is one of the most valuable private fintech companies in the world.

At Tipalti, we pride ourselves on our collaborative culture, the quality of our product and the capabilities of our people. Tipaltians are passionate about the work they do, and keen to get the job done. Tipalti offers competitive benefits, a flexible workplace, career coaching, and an environment where diverse individuals can thrive and make an impact. Our culture ensures everyone checks their egos at the door and stands ready to reach for success together.

In this role, you will be responsible for:

3+ years' experience as QA Engineer

Experience writing STP , STD

Javascript knowledge - an advantage

Experience with a relational database - an advantage.

Self-motivated, detail-oriented and organized.

Excellent problem solving and troubleshooting and technical skills.

Good oral and written communication skills in English.

Interested in learning more about us?

Tipalti is the only company handling both global partner payments and accounts payable workflows for high-velocity companies across the entire financial operations cycle: onboarding and managing global suppliers, instituting procurement controls, streamlining invoice processing and approvals, executing payments around the world, and reconciling payables data across a multi-subsiary finance organization. Tipalti enables companies to scale quickly by making payables strategic with operational, compliance, and financial controls. Through Tipalti, our clients can efficiently and securely pay thousands of partners and suppliers in 196 countries within minutes.

Tipalti is fueled by a commitment to our customers and a desire to build lasting connections. Our client portfolio includes high-velocity businesses such as Amazon Twitch, GoDaddy, Roku, WordPress.com, and ZipRecruiter. We work hard for our 98% customer retention rate which is built on trust, reliability and innovation. Tipalti means we handled it - a mission to which we are constantly committed.
