

## Sr Analyst - BU Financial Analysis

[Apply Now](#)

Company: Northern Trust

Location: Israel

Category: other-general

### About Northern Trust:

Northern Trust, a global company, is a globally recognized, award-winning financial institution that has been in continuous operation since 1854.

Northern Trust is proud to provide innovative financial services and guidance to the world's most successful individuals, families, and institutions by remaining true to our enduring principles of service, expertise, and integrity. With more than 200 years of financial experience and over 22,000 employees, we serve the world's most sophisticated clients using leading technology and exceptional service.

The Senior Analyst is responsible for performing complex financial analysis, tracking, and reporting for the Global Technology Services (GTS) business unit. This role will analyze expenditures, research variances, study trends, compile financial data, and provide financial reporting for the business unit. Additionally, the Senior Analyst will draw conclusions and make recommendations to financial and line management.

Develops strong relationships and closely coordinates with Business Unit and Corporate Financial Management personnel.

Responsible for or assists with Business Unit Financial Reporting & Analysis, Competitive Benchmarking, Forecasting, Budgeting, Profitability Analysis, Financial Modeling, Strategic Planning, and Special Projects.

Oversees the preparation of various financial reports, providing data analysis and justification for management decisions.

Manages projects, including planning, organizing, and directing activities towards project goal completion, including management reporting.

Provide thought leadership in specific subject matters with other financial team members.

## **Qualifications**

Thorough business knowledge likely to be gained through 5+ years of relevant work experience and may possess a relevant advanced degree.

Broad financial and accounting knowledge and business acumen.

Requires strong presentation, and oral and written communication skills.

Strong Excel skills in order to develop the financial tools/models necessary to capture the financial aspects of such projects.

Experience with Business Intelligence and analysis tools such as Cognos BI, TM1 and Power BI is preferred.

Possess the ability to work effectively and build relationships across a matrix structure and with a diverse management team.

Proven ability to multi-task, work under pressure, and meet tight deadlines.

## **Working with Us:**

██████████ partner, greater achievements await. You will be part of a flexible and collaborative work culture in an organization where financial strength and stability is an asset that emboldens us to explore new ideas.

Movement within the organization is encouraged, senior leaders are accessible, and you can take pride in working for a company committed to assisting the communities we serve! Join a workplace with a greater purpose.

We'd love to learn more about how your interests and experience could be a fit with one of the world's most admired and sustainable companies! Build your career with us and apply today.

## **Reasonable accommodation**

██████████ working with and providing reasonable accommodations to individuals with disabilities. If you need a reasonable accommodation for any part of the

employment process, please email our HR Service Center at .

We hope you're excited about the role and the opportunity to work with us. We value an inclusive workplace and understand flexibility means different things to different people. Apply today and talk to us about your flexible working requirements and together we can achieve greater.
